Chain chronicle apk

CHAIN CHRONICLE ENTERED ITS SECOND YEAR. NOW FEATURING NEW ROLES, NEW CHARACTERS, AND BETTER RECRUITING RATES. FOR MORE INFORMATION, SEE WHAT'S NEW. DESCRIPTION-----Mount and lead the army while forging your own story in this first-ever line defense role-playing game with over 5 million downloads worldwide! Thank you for your support, captains. Master a combination of strategic and action-based games as you control the captain responsible for leading the volunteer army in protecting Yggdra against black army invasion.FEATURES • Engage in tactical real-time strategy battles! Experience an amazing combination of tower defense and RPG combat action!•Multiple game options! Solo your way through the Chronicle chain is a massive story, or face off against other captains in one of two PVP modes to climb the ranks and get famous prizes (PvP is exclusive to the global version of the Chronicle chain)• Recruit from over 300 unique allies (some exclusive to this version of the Chain Chronicle), each with different abilities! Command and unleash the full potential of your knights, witches, clergy, archers and soldiers! • Further increase your army by equipping your fighters with weapons that can be found in Yggdra, won from contests or created through the Smith feature (unique global version of chain chronicle)•Woke up characters & new mission system: The latest Chain Chronicle update allows you to employ 4 to 5 star versions of past starter units. New alternative goals in missions allow you to reap greater rewards if you are diligent enough. REVIEWS [f] Chain Chronicle represents the calibre of play that we can expect from SEGA and Gumi, we're in for some treats. Chain Chronicle is extensive and fun... -GamezeboChain Chronicle is a charming, fun and effective endless game...-Digitally downloadedChain Chronicle is an absolute must-play. Sega and Gumi did a really good job with this game, and I'm actually quite excited to hear that having a ton more content in store... -MMOHutChain Chronicle is completely free to play. However, some in-game purchases are available. If you don't want to use this feature, turn off in-app purchases in device settings. SOCIALFacebook: facebook.com/ChainChronicleGlobalTwitter: @ChainChronicleGFEEDBACKHave any problems ruining your adventures in Yggdra? You want to be heard?
